

Course Description

This course is designed for construction workers, foremen, superintendents and anyone involved in the construction industry. OSHA recommends Outreach Training Program courses as an orientation to occupational safety and health for workers covered by OSHA 29 CFR 1926. Workers must receive additional training, when required by OSHA standards, on the specific hazards of the job. Upon successful completion of the course, participants will receive an OSHA 10-Hour Construction Outreach DOL course completion card within 4-6 weeks.

Regulatory>>

This course has been reviewed and accepted by OSHA. Upon completion of this course, you will receive a temporary printable certificate. In 4-6 weeks, you will receive a card from OSHA and the Department of Labor in the mail. Laminated cards now available!

Seat Time>>

This course has been approved for 10 hours.

Course Pre-Requisite>>

None.

Testing>>

All module quizzes require a score of 70 to proceed forward in the course. The final exam also requires a minimum score of 70 to receive a certificate of completion. The final exam may be taken three times if necessary.
